

MAKAI
AGRO

OUR ORIGIN

Makai Agro Foods Private Limited Inspired by the richness of Indian agriculture and the vision to deliver farm-fresh quality to every household, Makai Agro Foods Private Limited was established in 2025. What began as a small initiative with a big dream has now grown into a fast-developing company in the frozen food industry.

With a strong focus on quality, hygiene, and modern technology, we specialize in processing Frozen Sweet Corn and Frozen Green Peas. Our journey is rooted in supporting farmers, ensuring premium quality products, and delivering nutritious food to customers across India and international markets.

At Makai Agro Foods, we believe in innovation, sustainability, and building long-term relationships with farmers, customers, and partners. Our goal is to become a trusted global name in frozen food processing while maintaining the freshness and purity of nature in every product

- Production Capacity : **10 MT/Day**
- Finished Goods : **3000 MT/year**

ABOUT US

The journey of Makai Agro Foods Private Limited started in the year 2025, with the commitment to satisfy the customer's needs with the best quality products. With experienced agricultural experts being at the core of our team along with skilled workers, the work is made simple and convenient.

With an annual turnover of around 5 Crores, Makai Agro Foods Private Limited is primarily involved in manufacturing premium quality Frozen Sweet Corn and Frozen Green Peas. The company is also engaged in export, trade and wholesale.

Working tirelessly since its inception, the dynamic group of Makai Agro Foods believes that food is at its best when it is served fresh. This simple belief drives our team to deliver products that retain their natural taste, nutrition and quality. We aim to achieve the highest level of customer satisfaction through our dedication and consistent quality.
